

## First Call for Papers

The 11th International Conference on 3D Systems and Applications

The 11<sup>th</sup> international Conference on 3D Systems and Applications is held in conjunction with the 26<sup>th</sup> International Display Workshops (IDW'19).

<https://www.3dsa.org/>

### DATE

November 27-29, 2019

### VENUE

Sapporo Convention Center, Sapporo, Japan

<https://www.sora-scc.jp/eng/>

### TOPICS

All technologies for hyper-realistic systems such as  
Augmented Reality & Virtual Reality  
3D Capture & Processing  
3D Coding & Transmission  
3D Displays & Systems  
3D Contents and Applications  
Interactive Systems  
Holographic Technology  
Haptics Technologies  
Scent Delivery Technologies  
Free Viewpoint Image Systems  
Human Brain Sensing  
Human Perceptual and Cognitive Mechanisms  
Other Related Topics

### IMPORTANT DATES

The schedule is the same with that of IDW'19.

Submission of Abstract	June 19, 2019
Notification of Acceptance	July 22, 2019
Submission of Late News	Sep 17, 2019
Notification of Acceptance	Oct 7, 2019
Pre-Registration	July 22 - Oct 25, 2019
Conference	November 27-29, 2019

Check the latest schedule at <https://www.idw.or.jp/>

### PAPER SUBMISSION

**Paper format and its submission are the same with those of IDW'19.**

Abstract (technical summary in IDW) should be submitted. For accepted papers, four-page manuscripts and presentation are required.

### ORGANIZATIONS

#### JAPAN

Ultra Realistic Communication Forum (URCF)  
The Virtual Reality Society of Japan (VRSJ)

#### KOREA

Association of Realistic Media Industry (ARMI)  
Korean Society of Broadcast Engineers (KSBE)  
Electronics and Telecommunications Research Institute (ETRI)

#### TAIWAN

3D Interaction & Display Association (3DIDA)  
Society for Information Display (SID) Taipei Chapter  
Industrial Technology Research Institute (ITRI)
